Photo Release

Parsons, KS-
Shirley Chalker, a 1964 graduate and former LCC Foundation Board and Steering Committee Member, visits with student Marshall Phelan, "The Party Crasher", during the 15th Annual Labette Community College Foundation & Alumni Auction for Scholarships. The theme, "Join the Party: LCC Celebrates 90 Years" was an evening full of surprises including student 'party crashers' that auction goers could send to a friend or foe as a joke. The recipient of the party crasher would pay an insurance premium, sponsored by Wood-Dulohery Insurance, to send on to someone else. The auction, sponsored by McCarty's Office Inc, hosted over 175 attendees that enjoyed a meal sponsored and catered by Labette Health. The event included both live and silent auctions raising \$48,000 for student scholarships at LCC.
