# LIBRARY DATABASES TUTORIAL OFF CAMPUS PERIODICAL USE

Make sure to use the Off Campus Database Access column when working anywhere off the Main Campus

You use the Off Campus Database Access when at the Cherokee campus, from home or any where you have internet and Wi-Fi access.

Remember to scroll down too!

### Similar to the On Campus Access

Each Database has different kinds of publications and are geared toward different subjects

You can look over to the same database in the On Campus column and it will tell you more about each database offered

However, Off Campus Access does require you to log in

General/News Databases

#### Academic Search Premier

This multi-disciplinary database provides full text for more than 4,600 journals, including full text for nearly 3,900 peer-reviewed titles. PDF backfiles to 1975 or further are available for well over one hundred journals, and searchable cited references are provided for more than 1,000 titles.

### Title List Rore Information

Provider: EBSCO Information Services

#### **Regional Business News**

This database provides comprehensive full text coverage for regional business publications. Regional Business News incorporates coverage of more than 80 regional business publications covering all metropolitan and rural areas within the United States. Click here for a complete title list. Click here for more info.
