

## STRATEGIC PLAN INTRODUCTION

The Strategic Operations Advisory Committee welcomes you to our site, designed to keep you informed about strategic planning at Labette Community College. The Strategic Operations Planning Committee is charged with facilitating and coordinating LCC's 2010-2015 strategic planning activities.

The Strategic Operations Advisory Committee is committed to a collaborative process with many opportunities for involvement of those within the college and in the community that we serve. Throughout the planning cycle, we will schedule big and small group meetings, community meetings, consultations with key constituencies, all of which combine to enable broad based participation in the various phases of creating, updating, and evaluating the Strategic Plan.

The Strategic Operations Advisory Committee membership includes: Joe Burke, Vice President for Academic Affairs, Leanna Newberry, Vice President for Finance & Operations, Tammy Fuentez, Vice President for Student Affairs, Jack Burke, Vocational/Technical Faculty Member, Shawn Mead, President Faculty Association/General Education Faculty Member, MiChielle Cooper, Director of Workforce Education & Community Services, Brent Johnston, Educational Support Staff, Dr. Wanda Ladage, LCC Trustee, Matt Atteberry, Executive Director Labette Center for Mental Health Services, Carolyn Kennett, City of Parsons Community Development, Marti Frazier, Student Government President, Sherry Simpson, Skills USA President.

If you have questions about our work, are interested in getting involved, or have comments to offer, please contact the Strategic Operations Advisory Committee Chair, Dr. George C. Knox.
