

In the fall...on our way back from our summer home, us ducks had to stop for a day or two in Parsons, Kansas. While there, we heard about this fantastic race put on by the LCC Athletic Department. We entered and not only was it a lot of fun, but we won lots of prizes! I hear that they are going to do the race again this year. I thought you should know about it!

Dear _____,

The Labette Community College Athletic Department has organized a departmental fundraiser to help pay for additional costs we expect to face this upcoming season. We will use the money to get some travel gear and equipment, in addition, we will be saving up money toward a special trip. Nationwide budget cuts have forced many athletic departments to fundraise to help pay for scholarships, gear, and some trips.

Our coaches asked us to turn in a list of names and said to select people we knew well and felt were close to us. This letter is to invite you to assist us in our annual **Great American Duck Race** fundraiser by **being a duck sponsor**.

The Great American Duck Race will involve racing rubber ducks down a stream located near the LCC campus. The ducks will have numbers on them. The race will be about 150 yards long. The winners will be identified and prizes awarded to the sponsors whose ducks place. When you become a sponsor, I will be designated flock master for your ducks.

The Great American Duck Race will be held in the fall to allow for fall rains to flood our racing stream and create a healthy current. If the weather doesn't cooperate, our local fire department will come and fill up the creek.

Win, Win, Win: The money you invest will help support me and my team as well as the entire athletic department. Cash Prizes will be awarded to the sponsors of the winning ducks. I will be sure to contact you if you win.

Prizes.....	Grand Champion will receive	\$300.00
	National Runner up will receive	\$150.00
	Third place will receive	\$100.00
