EDUCATION-SECONDARY EDUCATION

ASSOCIATE IN SCIENCE

The courses in this program will meet the requirements for an Associate in Science Degree in Secondary Education at LCC. Since requirements at 4-year colleges vary, students must refer to the 4-year college of their choice to determine the transferability of courses. An Associate in Science in Secondary Education will help prepare a student to transfer to a 4-year college and be successful in future endeavors.

Concentration Requirements 19

- EDUC 134 Pre-professional Lab for Teachers 1
- EDUC 140 Introduction to Teaching 3
- Concentration Electives 15

General Education Requirements 44

- COMM 101 Fundamentals of Speech 3
- ENGL 101 English Composition I 3
- ENGL 102 English Composition II 3
- MATH 115 College Algebra or higher 3
- PED 116 Lifetime Fitness 1
- PHSC 105 Physical Science 5
- PSYC 101 General Psychology 3
- PSYC 201 Developmental Psychology 3
- Humanities Electives 6
- Natural Science Elective 5
- General Education Electives 9

Credits Required: 63

Recommended Course Sequence
SEM 1: EDUC 134, EDUC 140 (Must be taken concurrently)
SEM 2: Concentration Electives
SEM 3: Concentration Electives
SEM 4: Concentration Electives

After Graduation
Students will be prepared to continue their education at a 4-year college. A Bachelor’s Degree is the minimum requirement to pursue a career as a secondary education teacher. A student could also utilize an Associate Degree in Secondary Education in order to obtain a Kansas Substitute-Teacher’s License and begin work in the school system. Students transferring to a 4-year college should contact the advisor at that university to ensure transferability of coursework. It is the student’s responsibility to follow the transfer requirements for his/her transfer institution.

Courses designated as Physical Science, Natural Science, Humanities, Social Behavioral and General Education electives can be found on page 82.
Placement Tests or pre-requisites are required for English Composition I, Math courses and most General Education Electives. See page 31 for complete Placement information.
All first-time, full-time students with fewer than 15 credit hours after high school graduation are required to enroll in the College Success Skills course during their first semester.
Some courses are not offer each semester. Always make an appointment with your major advisor to enroll each semester.
