

HEALTH SCIENCE

ASSOCIATE IN SCIENCE

The Health Science Program is designed to prepare students who are interested in applying to any of our Health Science Programs: Dental Assisting, Diagnostic Medical Sonography, Nursing, Physical Therapy Assistant, Radiography or Respiratory Therapy. All the prerequisites for our Health Science Programs are in this program. Please work with the appropriate LCC advisor to ensure you are selecting the correct courses.

This Program may also provide coursework for Health Science Programs at other colleges. Students would need to work with an advisor at the college they intend to transfer to in order to ensure transferability.

After Graduation

Students who complete the Health Science Program should have all the prerequisites for any of the Health Science Program here at LCC. Diagnostic Medical Sonography may require an extra course.

<u>Concentration Requirements (Choose 21 Cr.Hr.)</u>			<u>21</u>
<input type="checkbox"/>	BIOL 120	General Biology	5
<input type="checkbox"/>	BIOL 130	Anatomy & Physiology or	5
<input type="checkbox"/>	BIOL 201	Microbiology	
<input type="checkbox"/>	CHEM 120	Intro to Chemistry or	5
