SECTION 3

PARTICIPATION IN STUDENT FINANCIAL AID PROGRAMS

LCC is defined as an eligible institution for participation in the federal programs of student financial aid. To be an eligible institution a school must meet a number of common elements defined by regulation. These elements consider the school’s minimum program length, admission standards, degree or certificate programs, legal authorization and accreditation.

Student eligibility in general, is determined in accordance with section 668.32 of the General Provisions regulations. Eligibility requirements specific to LCC are addressed below.

➢ Students must have graduated from high school or received a GED
➢ Be a U.S. Citizen or an eligible non-citizen
➢ Students must be enrolled in a minimum of six credit hours to receive Federal Direct Loan.
➢ The student receiving federal assistance must meet minimum satisfactory academic progress requirements. A copy of these requirements is included in this section.
➢ The student must be enrolled in an eligible program at LCC. An eligible program at LCC must either be a one-year certificate program (9 months), or a two-year degree program. This excludes such classes as EMT, and other short-term certificate classes. If the student indicates that he/she is pursuing a two-year degree and is enrolled in at least one class which advances them toward earning that degree, a payment from Pell may be made. If the student indicates that he/she is pursuing a one-year certificate in a program listed in the LCC catalog, and is enrolled in courses required for that program, a payment from Pell may be disbursed considering the certificate program hours.
SECTION 4

APPLICATION PROCESS

The following is a step-by-step description of the application process at LCC.

➢ Student completes the FAFSA on-line.
➢ Student receives email confirming the process and the Student Aid Report (SAR).
➢ The FA office receives the ISIR through EDConnect which indicates the student has made application and listed LCC as a school of choice. The ISIR is auto-loaded into the PowerFaids system and “tracking” begins.
➢ The tracking system requests appropriate documents from the student. For applicants not selected for verification, a Student Signature Form must be completed. Official transcripts from all prior colleges/universities the student has attended must be received.
➢ Additional documents are requested from those students selected for verification. These documents may include the following:
➢ Once a file is completed, the FA office reviews student’s enrollment status and awards Pell, if eligible.
➢ An award letter is sent to the student.
➢ Direct loans are not packaged. Students may request loans by completing the Loan Procedures.

LCC FA Office strongly urges applicants to apply early as the process can take up to six weeks to complete. Applicants who do not have completed files by the early payment date each term need to enroll in the payment plan for their account charges through Nelnet.

ATTENDANCE REQUIREMENT

Beyond the certification date attendance is not required. Certification is based on attending at least one class period during the first week of semester-long courses (prorated for mini-courses). Faculty certify attendance to the Registrar’s Office.

SECTION 5

FEDERAL PROGRAMS OF FINANCIAL ASSISTANCE AT LCC

Labette Community College participates in the following federal financial aid programs: Pell Grant, Supplemental Grant (FSEOG), Federal Work-Study, Federal Direct Subsidized and Unsubsidized Loan and Federal Direct PLUS Loan.

The student’s financial aid package begins with their cost of attendance. Cost of attendance includes tuition and fees, room and board, transportation, books and supplies, miscellaneous and computer allowance. Dependency status, residency and enrollment
status also affect the budget. The Expected Family Contribution (EFC) is subtracted from the cost of attendance, leaving the students need based aid eligibility (unmet need).

**FEDERAL PELL GRANT:** The Federal Pell Grant is the foundation of financial aid packaging and is available to all students who show eligibility through the Free Application for Federal Student Aid (FAFSA). To receive a payment the following guidelines must be met:

- The student must be enrolled in an eligible program at LCC. An eligible program at LCC must either be a one-year certificate program (9 months), or a two-year degree program. This excludes such classes as EMT, and other short-term certificate classes. If the student indicates that he/she is pursuing a degree program or eligible certificate program and is enrolled in credit hours that go towards the student’s major requirements, a payment from Pell may be made.

- The student must file a FAFSA and the institution must receive a valid electronic ISIR by the last date of attendance. The student must be enrolled and eligible for payment. Institutional policy requires that the ISIR is valid and all other documents including those necessary for verification be in the student file before a payment is made. If the student does not complete the file before the end of the current semester, but enrolls for the subsequent term the same academic year, a retroactive payment will be made for the completed term at the same time payment is made for the current term. If the student completes a file after the end of the term and does not enroll again a payment cannot be made unless verification is in progress. The following deadlines are suggested to ensure a payment for the designated term: Fall semester: Dec. 1; Spring semester: May 1; Summer semester: June 15.

- If a student’s ISIR is selected for verification and the verification results in corrections to the ISIR, a payment may be made up to 60 days following the completion of verification to allow time for the corrections and payments. A payment will be made no later than September 30 following the end of an award year.

- The amount of Pell Grant funds you may receive over your lifetime is limited by a federal law to be the equivalent of six years of full-time Pell Grant funding. Since the maximum amount of Pell Grant funding students can receive each semester is equal to 50%, the 600% equivalent is equal to 12 fulltime semesters.

- Pell Grant payments are calculated at the end of the certification period each term, after the Registrar’s Office has recorded information from the instructor’s certification roster. The payments are made approximately six (6) weeks following the beginning of each term. Awards will be calculated for all students having a completed (verified, if selected), file. The Pell Grant status, (full, ¾, ½, or less than ½ time) is determined by the number of hours in which a student is actively enrolled in classes going toward declared major, as of this date. The award is transmitted by the financial aid office to the student’s account in the business office. The business office pays institutional charges from the grant and disburses any remaining funds to the student.
➢ Students who enroll in additional classes or drop classes after receiving their Pell disbursement, will not be recalculated and will not receive an additional payment, or (in the case of a drop in status), may be required to return a portion of their original payment.

➢ As previously stated, any funds remaining after institutional charges are paid, are refunded to the student. In accordance with federal guidelines, the following policies will be adhered to:
  o If a student is reported as roster-dropped for non-attendance from all classes on the certification day roster, the last day of attendance will be determined and Post Withdraw will be calculated and offered to eligible students.
  o Return of Title IV Funds calculation will be performed for students who totally withdraw, as well as students who withdraw and/or fail all classes.
  o Post Withdraw disbursements will be calculated and offered to students with completed files who are eligible.

**SUMMER PELL GRANT POLICIES**

➢ As of 2017-2018 year round Pell will be available to eligible students.

➢ Awards for all students who have received a Pell Grant during the award year are not automatically calculated.

➢ Less than half time students are eligible for Summer Pell Grant if, they have not yet received 100% of their Pell Grant eligibility for the academic year.

**SUMMER PELL PROCEDURE**

Before a student can be considered for a Summer Pell Grant, the student MUST complete a Summer FA application, or alert the Financial Aid Office of their Summer enrollment. The FA application is available on the LCC website April 1st. Enrollment will be verified and the student will be advised of his/her remaining eligibility. Summer hours enrolled as of the add/drop date.

**BUDGET COMPONENTS FOR PELL CALCULATION**

Pell Grant awards are calculated using a full-time tuition and fee component based on 16 credit hours per semester, which is the number of credits necessary over a four-semester period to complete an Associate’s Degree, or the number necessary over two semesters to complete a Certificate program. The same component is used for all students, regardless of enrollment status. The cost of attendance includes a budget for:

- Tuition and fees
- Room and board
- Books and supplies
- Misc
- Transportation
- Computer

Less than ½ time Pell Grant calculation uses the following budget:
➢ Tuition and fees
➢ Books and supplies
➢ Transportation

**STUDENTS IN DEFAULT**
Students who have defaulted on a Federal Direct or Stafford Loan, Perkins Loan, or who owe a refund on a federal grant, will not be eligible for federal funding. The student’s record must reflect that he/she is in good standing when the information is viewed through NSLDS on-line or a letter from the servicer indicating the student is in good standing.

If the institution has not received a valid ISIR and/or the NSLDS information does not reflect that the student is in good standing, on or before the last day of the period of enrollment, NO awards will be processed for the student.

Awards for defaulted students are not retroactive, awards for the current term only will be considered.

**FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)**
Awards from FSEOG are limited as funds depend on the allocation received from the U.S. Department of Education designated for LCC. Students who are eligible for Pell Grant and have a 0 EFC will be considered, awarding those with the highest unmet need first. FSEOG funds are credited to the student account and any remaining funds are allocated to the student. FSEOG awards are usually $200 - $500 per semester per student.

**FEDERAL WORK-STUDY**
Federal Work-Study will be offered to students with completed files, which have also completed proper Work-Study paperwork and provided the required copies of identification. Work-Study recipients must qualify according to demonstrated need. Students must apply for job openings and interview with supervisors. Supervisors will choose their work-study students from those interviewed. The supervisor keeps the student timesheet and turns it in to the Financial Aid office. The Financial Aid office will process the timesheets in Jenzabar and PowerFaids. The Financial Aid office monitors the student’s hours and earnings with every payroll and sends reminders to supervisors when necessary. It is the responsibility of the supervisor to terminate a student who does not satisfactorily perform his/her duties.

**FEDERAL DIRECT LOAN**
The Federal Direct Loan program has both a subsidized and unsubsidized component. A subsidized Direct loan will be provided only to a student with need, as defined by the federal need analysis. An unsubsidized Direct loan will be provided to all students not to exceed their cost of attendance combined with other student financial assistance. LCC has adopted the following policies:
➢ All students borrowing from the Federal Direct Loan Program at LCC will receive counseling before loan eligibility is determined.
➢ In keeping LCC’s Minimum Academic Progress Requirements and Default Management Plan, a student will be strongly advised to borrow minimal amounts while a student at LCC. These guidelines are based on principals of sound financial planning and take into consideration repayment obligations and projected income of community college graduates.
➢ All borrowers at LCC are required to view and complete the loan Entrance counseling on-line.
➢ All borrowers at LCC must be in school for 30 days during the loan period before proceeds will be disbursed.
➢ If a student drops to less than half-time enrollment during a loan period, remaining loan amounts for the loan period will be cancelled.
➢ Exit counseling must be done on-line. Students must complete exit counseling upon exit of the institution. Exit counseling information will be mailed at the end of each semester.
➢ Parents wishing to process a PLUS loan must have the student file the FAFSA to verify citizenship.
➢ Students are required to complete the LCC Loan Procedures

STUDENT LOAN PROCEDURE

➢ Students must file the FAFSA.
➢ Students receive LCC Loan Procedures in the first contact information sent upon receipt of the FAFSA.
➢ The Financial Aid Office will confirm that the student has filed the FAFSA and that required documentation has been received.
➢ Students complete the Loan Procedures as indicated under Loan Procedures in the Financial Aid section of the LCC website.
➢ Student’s eligibility will be determined using the student’s campus based budget, FAFSA results and any awards the student has already received.
➢ After the student’s eligibility has been determined, loans will be awarded.
➢ The FA office will send the student an award letter showing processed loan amount and tentative disbursement date.
➢ Labette Community College does not actively promote Alternative Loan programs as LCC costs do not warrant the need for alternative loans.

LCC Loan Procedures:
➢ Complete the MPN at studentloans.gov
➢ Complete the Entrance Counseling at studentloans.gov
➢ Complete and submit the Federal Direct Loan Request Worksheet (LCC form)
➢ Complete the Financial Aid Review at nslds.ed.gov
Summer Loan Procedure
Before a student can be considered for a Summer loan, the student MUST complete a Summer FA application, or alert the Financial Aid Office of their Summer enrollment. The FA application is available on the LCC website April 1st. Enrollment will be verified and the student will be advised of his/her remaining eligibility. Summer hours enrolled as of the add/drop date.

SECTION 6
RETURN OF TITLE IV (R2T4) POLICY

Federal Title IV funds are awarded to a student under the assumption that he/she will attend school for the entire period for which the assistance is awarded. When a student withdraws from all his/her courses, for any reason including medical withdrawals, he/she may no longer be eligible for the full amount of Title IV funds that he/she was originally scheduled to receive.

If the student withdraws from all courses prior to completing over 60% of a semester, he/she may be required to repay a portion of the federal financial aid that he/she received for that term. A pro rata schedule is used to determine the amount of federal student aid funds he/she will have earned at the time of the withdrawal.

The return of funds is based upon the concept that students earn their financial aid in proportion to the amount of time in which they are enrolled. Under this reasoning, a student who withdraws in the second week of classes has earned less of his/her financial aid than a student who withdraws in the seventh week. Once 60% of the semester is completed, a student is considered to have earned all of his financial aid and will not be required to return any funds. The FA office will still complete an R2T4.

The Office of Student Financial Assistance in accordance with 34CFR Sec. 668.22 calculates the Return of Title IV Funds for any student receiving Title IV Aid and subsequently withdraws and/or fails before or at the end of the enrollment period.

CAMPUS BASED AID

Labette Community College awards work-study to students who need and want to earn money for college expenses. After any scholarships and Pell are deducted from the student’s unmet need, work-study can be considered. In no case will a student be eligible to work more than 20 hours a week. The college pay will vary depending on the area of employment and rates begin at $7.25 per hour, to students in the work-study program.

FSEOG is awarded after all other aid and goes to students with a 0 EFC and still show the most unmet need.
CONSORTIUM AGREEMENT

Labette Community College participates in consortium agreements on a case by case basis. Students wishing to participate in a consortium agreement must be enrolled in at least 3 hours at Labette Community College, if LCC is the Home institution. (The Host institution is NOT the paying nor the degree granting institution).

VERIFICATION PROCEDURE

During verification, the college financial aid administrator will ask the applicant to supply copies of documentation to verify the data that was submitted on the Free Application for Federal Student Aid (FAFSA).

Verification is intended to improve the accuracy of the information submitted on the FAFSA. It is not intended to function like a forensic audit. But the college financial aid office may not process requests for professional judgment or disburse federal student aid until the verification process is complete.

Financial aid administrators have the right to ask for any documentation they feel is necessary to complete verification. If the family refuses to supply this documentation, the college is prohibited from disbursing federal student aid to the student.

The following documents will be verified from students that are selected for verification by the Department of Education for the 17-18 academic school year for the Verification Tracking Flags: V1, V4, and V5

LABETTE COMMUNITY COLLEGE
SATISFACTORY ACADEMIC PROGRESS POLICY

There are two criteria for satisfactory academic progress (SAP): quantitative which is the pace of completion and qualitative which is GPA.

Student Enrollment definitions:
- Full-time Students – 12 credit hours or more
- Three-quarter time Students – 9, to 11 credit hours
- Half-time Students – 6, to 8 credit hours
- Less than Half-time – Below 6 credit hours

Pace of Completion:
Students must complete 67% of credit hours attempted in their academic history. Number of credit hours completed will be monitored at the end of each academic semester. Students who do not complete 67% are required to appeal. If approved by appeal committee, students must complete 67% each term until their overall completion is at least 67%. If appeal stipulation is not met, students must attend without federal financial aid until the overall completion rate is at least 67%.

Students who have attempted 12 credit hours less than 150% length of the program they are enrolled in will receive an Appeal Notification informing them they will have to
appeal for Maximum Semesters when they reach 150% length of the program they are currently enrolled in. Student must complete the appeal paperwork and the Financial Aid Appeal Committee will determine if the appeal is accepted and the stipulations of the appeal. Students will be placed on probation and must adhere to the stipulations of the appeal or aid will be suspended.

Grade Point Average (GPA)
Students whose career GPA is below 2.0 must complete the appeal process for low GPA. Students must complete the appeal paperwork and the Financial Aid Appeal Committee will determine if the appeal is accepted and the stipulations of the appeal. Students who do not adhere to the stipulations of the appeal will have their aid terminated. These students must bring their career GPA up to 2.0 or better without aid and then they are able to apply for federal financial aid.
A student’s career GPA is used to evaluate his/her academic progress. Students are considered to be making satisfactory progress toward an Associate Degree, or approved certificate program if they maintain a minimum GPA of 2.0. Also, LCC requires students have at least a career GPA of 2.5 to graduate.

Students who transfer into LCC with a career GPA below 2.0 will have their aid terminated and will have to appeal in order to reinstate their federal aid.

Incomplete grades must be completed before aid for that semester is disbursed.

PROCEDURE FOR PROCESSING WORK-STUDY

1. Before a student will be considered for work-study, they MUST have completed a FAFSA and have a complete file with the Financial Aid Office.
2. Students must correctly complete all required payroll forms and provide two forms of identification which are accepted by the Payroll Office.
3. Students must complete the required paperwork.
4. Only after completing steps 1, 2 and 3 will a student be allowed to begin working.

WORK-STUDY PROCEDURE FOR PROCESSING TIME-SHEETS

Every timesheet will have to be turned in on the 10th of each month or the Friday before the 10th, if the 10th is on a weekend. Timesheets turned in after the due date will be paid for the following month.
