### **LCC Radiography Students Place at Convention**

Parsons, KS- Labette Community College 2<sup>nd</sup> year Radiography students participated in the Kansas Society Radiologic Technologists 78<sup>th</sup> Annual Convention in Topeka, Kansas on April 11.

The conference, a state competition for the KSRT, was attended by 79 students from 5 schools. Students submitted projects to KSRT for judging.

In the category 'Waters View Sinus General Image Category', LCC earned the top three places with 1<sup>st</sup> Place: Lydia Lance, 2<sup>nd</sup> Place: Cassandra Wallace, & 3<sup>rd</sup> Place: Chelsea Bockover. Again in the 'Y-View Shoulder General Image Category', LCC earned all top three places with 1<sup>st</sup> Place: Jordan Craft, 2<sup>nd</sup> Place: Chelsea Bockover, & 3<sup>rd</sup> Place: Audra Beason. Kristi Martin earned 2<sup>nd</sup> place in the 'Posterior Oblique L-spine General Image Category' and Joshua Ayers also received 2<sup>nd</sup> Place in 'Contrast Category: RAO Esophagus'. The award of Most Interesting Case was earned by Cassandra Wallace for her project, Esophagus Case. Kristi Martin received in Scientific Exhibit Competition for a project on Progeria condition.

LCC Director of Radiography, Gale Brown said, "I am proud of all our students for competing and representing LCC and our community so well."
