LCC Hosts Business Showcase

Parsons, KS- Labette Community College will host an on-campus event for LCC students and Parsons area businesses. The business showcase, Cardinal Crawl, is an event for any business that wants to showcase their business, hand out information about services they provide and recruit new employees.

The Cardinal Crawl will be Wednesday, September 2 from 9am-1pm in the LCC Breezeway between the Student Union and Main building on the Main LCC Campus.

“Cardinal Crawl is a great opportunity for area businesses to set up a booth, visit with students and recruit new employees,” said Admissions Coordinator Kylie Piva.
