## **SUBJECT**

Approval of Revenue Neutral Rate

## REASON FOR CONSIDERATION BY THE BOARD

Senate Bill 13 requires the Board of Trustees to vote on a resolution to exceed the revenueneutral rate.

### **BACKGROUND**

Senate Bill 13 requires that the County be notified of our intent to exceed the revenue neutral rate by July 20<sup>th</sup>. The notice of the intent to exceed the revenue-neutral rate was submitted to the County. As required by Senate Bill 13 the Board of Trustees has also published a notice as well as provided a hearing.

The proposed published budget keeps the mill levy at approximately the same value (35.40), which in turn increases the tax request by approximately \$251,340. The mill levy request is based on the estimated valuation number provided by the County in June which includes the pending exemptions which will be heard by the Board of Tax Appeals.

The Board of Trustees has typically attempted to keep the mill levy the same from year to year which results in decreases/increases in revenue based on the final valuation which is certified in November of each year.

### PRESIDENT'S RECOMMENDATION

The President recommends the Board approve the revenue-neutral rate resolution as shown in Exhibit 1.
