CELL PHONES IN THE CLASSROOM

The Academic Affairs Office restricts the use by students of cell phones, pagers, or similar communication devices during scheduled classes. All such devices must be turned off or put in a silent mode and cannot be visible during class. At the discretion of the instructor, exception to this policy is possible in special circumstances. Cell phones may not be dialed or answered in a classroom (including text messages, games, and other uses). This procedure does not restrict the use of a communication device during an emergency situation.

In testing situations, use of cell phones or similar communication devices may lead also to a charge of academic dishonesty and additional sanctions under the Academic Honesty Procedure 3.07.

DROPPING A COURSE

It is the student's responsibility to officially add or drop a course in which he/she is enrolled. (Students are not to cease class attendance without completely processing an Add/Drop Form. Failure to take such action will result in an "F" being assigned for the course.)

- Courses may be added or dropped during the first week of classes with only adviser approval.
- Courses may be added during the second week of classes with instructor AND adviser approval.
- Courses can be dropped by email to your adviser but not by phone.
- It is the responsibility of the student to confirm all add / drops / withdrawals, regardless of the situation.

For more complete information, see <http://www.labette.edu/catalog/add-drop.html>

GUESTS & CHILDREN IN THE CLASSROOM

Children are not allowed to accompany LCC students to classes. In the event of an emergency, requests for an exception to this rule must be made by the student to the Dean of Instruction or Program Director prior to the class meeting. In the event that an exception is granted, it is the student's responsibility to make sure the child(ren) does not disrupt the educational environment of the class. Adult guests may be admitted at the discretion of the instructor.

Furthermore, children (age twelve and under) are not allowed to be left unsupervised by an adult anywhere on campus. This procedure applies to all facilities owned or managed by LCC.

OUT-OF-CLASS STUDENT WORK EXPECTATIONS

Students should expect to spend a minimum of two hours on out-of-class student work for every hour spent in the classroom.

IDENTIFICATION CARDS

In order to provide a safe and secure environment, all LCC students, employees, and guests are asked to have identification while on campus. The college will make every effort to ensure that all individuals on campus are here for appropriate reasons. All LCC students and employees are asked to have an LCC Identification Card.

LCC Identification Cards must not be tampered with or altered. Doing so could result in disciplinary action by the Vice President of Student Affairs for students and the appropriate supervisor for staff.
