

DIAGNOSTIC MEDICAL SONOGRAPHY
GENERAL SONOGRAPHY
CERTIFICATE
ACADEMIC CURRICULUM MAP

An academic map is a suggested fourteen month schedule of courses based on certificate requirements. This sample schedule serves as a general guideline to help build a full schedule each term. Milestones, courses, and special requirements necessary for timely progress to complete a major are designated to keep you on track to graduate in two years.

This map is not a substitute for academic advisement—contact your advisor if you have any questions about scheduling or about your degree requirements. Also see the current academic catalog for a complete list of requirements and electives. Note: Requirements are continually under revision, and there is no guarantee they will not be changed or revoked; contact an advisor, the department and/or program area for current information.

Course	Credit Hours				
BIOL 130 Anatomy & Physiology	5	General Education Requirement			
ENGL 101 English Composition I/ENGL 103 English Composition with Review or COMM 101 Public Speaking	3	General Education Requirement			
HEAL 106 Medical Terminology	3	General Education Requirement			
HEAL 109 Physics for Health Sciences	4	General Education Requirement			
MATH 115 College Algebra or MATH 114 College Algebra with Review	3	General Education Requirement			
Total Hours	18				
*Students must meet prerequisite requirements and be admitted to the program					
First Year					
Summer Semester			Fall Semester		
Course	Credit Hours General	Notes	Course	Credit Hours General	Notes
DMS 200 Sonography Virtual Lab	6		DMS 201 Introduction to Sonography	3	
			DMS 205 Sonography Sectional Anatomy & Abdominal Physiology	2	
			DMS 206 OB/GYN for Sonography I	3	
			DMS 211 Sonography Physics & Instrumentation	3	
			DMS 220 General Sonography Clinical I	5	
Total Hours	6		Total Hours	16	
Second Year					
Spring Semester			Summer Semester		
Course	Credit Hours General	Notes	Course	Credit Hours General	Notes
DMS 207 OB/GYN for Sonography II	3		DMS 222 General Sonography Clinical III	5	
DMS 208 Sonography Pathology of Abdomen and Small Parts	2		DMS 250 General Sonography Registry Review	4	
DMS 221 General Sonography Clinical II	5				
DMS 234 Sonography Physics & Instrumentation/Registry Review	3				
Total Hours	13		Total Hours	9

DIAGNOSTIC MEDICAL SONOGRAPHY

CERTIFICATE GENERAL SONOGRAPHY

Diagnostic Medical Sonographers operate special imaging equipment to create images or conduct tests. The images and test results help physicians assess and diagnose medical conditions. Some technologists assist physicians and surgeons during surgical procedures. Most diagnostic imaging professionals are employed in hospitals while others are employed in healthcare settings such as at physician's offices and medical and diagnostic laboratories.

Credits Required: 44

General Advisor: Morgan Augustine
620-820-1241

Major Advisor: Brian Vediz
620-820-1181
brianv@labette.edu

Accreditation

Labette Community College Sonography Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP). The program was approved March 2013. For more information contact www.CAAHEP.org

Requirements

Students interested in the Diagnostic Medical Sonography Program are admitted to Labette Community College on the same basis as other students, but admission to the college does not ensure admission into the Sonography Program. All students applying for the DMS program are required to have completed the following prior to acceptance into the program:

- Associates or Bachelors Degree with a medical component.
- College Algebra, Communications or Composition, Anatomy and Physiology, Medical Terminology, and Physics. (NOT required for students with Radiology Degree)

Summary

The General (Abdomen-extended and OB/GYN) concentration is 44 total credit hours. A new cohort will start every June.

The General concentration is a 14 month program that will focus strictly on abdominal extended and OB/GYN anatomy and pathology
Clinical expectations: The student will complete a minimum of 1024 clinical hours. Complete all required checklists and competencies in the assigned facility.

Trajectory software will be used to upload all required documentation.

After Graduation

You will graduate with a certificate in Diagnostic Medical Sonography. You will have several work options like, hospitals, clinics, teaching, at a doctor's office, or traveling the world.

According to the Bureau of Labor Statistics, the field is anticipated to grow by 13% (2024-2034), with a median pay of \$89,340 per year nationwide. The job prospects for DMS are expected to be very good.
