

**EDUCATION**  
**ELEMENTARY EDUCATION**

**ASSOCIATE IN SCIENCE**

The courses in this program will meet the requirements for an Associate in Science Degree in Elementary Education at Labette Community College. This program is a solid foundation to understanding curriculum development, classroom management, and the elementary education school setting. Courses are transferable to Kansas Regent schools, but since requirements at 4-year colleges vary, students must refer to the 4-year college of their choice to determine course enrollment at LCC.

**Credits Required:** 60

**Major Advisor:** Regina Decker  
620-820-1254  
reginad@labette.edu

**Recommended Course Sequence**

- SEM 1: EDUC 135
- SEM 2: EDUC 151
- SEM 3: MUSI 102, PSYC 201
- SEM 4: EDUC 201, ART 102

**After Graduation**

Students will be prepared to continue their education at a 4-year college. A Bachelor's Degree is the minimum requirement to pursue a career as an elementary teacher (K-6). A student could also utilize an Associate Degree in Elementary Education in order to obtain a Kansas Substitute-Teacher's License and begin work in the school system. Students transferring to a 4-year college should contact the advisor at that university to ensure transferability of course-work. It is the student's responsibility to follow the transfer requirements for his/her transfer institution.
