LCC Early Childhood Event

Parsons, KS- The Labette Community College Early Childhood Education department and the Labette County Early Childhood Coalition will host an event for parents, children, childcare providers, and those working with children.

“Play: Where Learning Begins” will be held on April 8 from 6:30-8pm at the LCC Gymnasium. Children can participate in blocks, play dough, and enjoy sensory tables and art stations during the evening. This free event will be held to encourage creative play for children. Door prizes will be drawn throughout the evening.
