### **Drug Testing Policy**

It is the policy of Labette Community College that students who enroll in healthcare programs or allied health courses including, but not limited to, Nursing, Respiratory Care, Radiologic Technology, Physical Therapist Assistant, Diagnostic Medical Sonography, Dental Assisting Programs and Certified Nurse Aide, Certified Medication Aide, and Pharmacy Technician Preparation for Exam courses submit to drug and/or alcohol testing when required by a clinical facility, a specific healthcare program policy, or as directed by a reasonable cause event.

### **Criminal Offenses**

Individuals with certain criminal offenses may be prohibited from obtaining a C.N.A. license. For more information, please visit the KDADS website [www.kdads.ks.gov](http://www.kdads.ks.gov) If you have committed **any** criminal offenses, it is **your responsibility to contact the clinical site directly** to gain their consent to attend clinicals at their facility.

### **Cancellations/Refunds**

Any course cancelled by the institution will be refunded. If a student drops a course, the amount of the refund, if any, depends upon the census date of that course; if the course is dropped before the census date, then the student receives a full refund, but if it's dropped afterwards, then no refund will be given and the student will be responsible for the cost of the course.

### **Illness or Injury**

Allied health educators and students will be totally responsible for their own alleged injury or negligence to self or a third party, and further that the clinical facility will be free and harmless of such claims resulting from negligence on the part of college employed allied health educators and students.

### **Reimbursement for Nurse Aide Training and Competency Evaluation (NATCEP) —**

A nursing home which employs a nurse aide student or makes an offer of employment prior to course completion must pay the tuition up front. When a nurse aide student pays for tuition and then is immediately hired by a nursing home, it is expected that the nursing home will reimburse the employee at time of hiring or over a reasonable period of time (not to exceed 12 months).
